Equine Health Plans from Glasgow Equine

The convenient way to give your horse or pony a healthy, happy life.

Joining is easy

You can visit our website to find out more and then either call us or visit our practice to join our Equine plan!

We will collect the first payment on the day you sign up and all subsequent payments will be collected via Direct Debit on your preferred collection date.

At **Glasgow Equine**, animal health is at the heart of everything we do. We understand how important the **health and happiness** of your horse or pony is to you and want to give your horse the best care possible.

We know that prevention is better than cure and have made this approach as simple and convenient for you as we can.

As part of our commitment to your horse's wellbeing we offer more **convenient monthly payments** and also reward you with **discounts** on selected treatments and products.

Our vets recommend the following as part of your annual treatment plan.

1. If you cancel at any time other than on an anniversary of joining the plan, you will be required to pay the practice either the outstanding amount for treatment received, or the monthly payments due until the anniversary of your plan, whichever is lower.
2. No refunds are payable for any months paid before a pet's death except at the discretion of the practice.
3. Plans and prices valid from March 2020.
4. The practice may require you to make an upfront payment or pay for treatment before the plan commences.
5. Health Check consists of a check of eyes, heart, trot-up in a straight line and general check over.
6. Advanced dental procedures including (but not limited to) wave mouth, diastema treatment or surgical extractions may require an extended treatment, which will result in additional charges. Additional treatments may have to be carried out at another time or site, and may require a separate visit.

7. Dental sedation lasts for approximately 30 minutes. If the horse requires additional sedation, this may be charged for at the discretion of the vet.
8. The horses must all be kept at the same location otherwise a separate visit fee may be charged.
9. The healthcare plan excludes the cost of any visit fees to your horse's location. Horses brought into the clinic will have no visit fee.

Please note that it is your responsibility to arrange and use the above listed benefits applicable to your Horse Health Programme membership and that you shall not be entitled to any refund in respect of unused benefits.

If policy is cancelled before anniversary of plan full payment will be required for any services and products received.

Plan does not include visit fee.
